

You are the Ruler

D

1.

D G D
Lord, You give based on who You are,
 G A
Not by anything that I deserve.
D G D
Lord, it is not by self effort
 G A
Or by any merit of my own, but...

Bm G D G
You are the Ruler and the King of the universe.
 Em G C
It is Your word that will last.
Bm G D G
You are the Master and the Shepherd of the flock.
 Em G C
It is not my will, but Yours, that stands.
 G D G - C - G
And You are in charge.
2. Lord, even though I tend to doubt,
I believe Your heart for me is good, and
Lord, I know You do all things well,
So I offer myself willingly, cause...
3. Lord, I trust in Your perfect will,
Because all Your thoughts surpass my highest.
Lord, I may never understand,
Why You act the way You do, but I know...
4. Lord, thank You for Your good pleasure.
I can trust that all You do is for it.
So, if it makes You happy, Lord,
I will step aside to let You be my God.
