    D                    G        D            -G
1. Again therefore Jesus spoke to them , saying,
             Em          A
   I am the light of the world;
          D                  G                D
   He who follows Me shall by no means walk in darkness,
             G        A        D   -G-D
   But shall have the light of life.

             G                  D
      For in Him dwells all the fullness
             Em      A   D
      Of the Godhead bodily
             G                  D       -Bm
      For in Him dwells all the fullness
             G       A   D
      Of the Godhead bodily
